MANUFACTURING**

OUR STORY

Rimoni is committed to delivering on its promise to "Always Deliver" by transforming customer ideas into reality. Combining precision craftsmanship with innovative engineering and design, Rimoni provides a comprehensive service from design to mass production.

ONE-STOP-SHOP MAKES THE COMPLEX SIMPLE

At Rimoni, we offer comprehensive solutions with over 70 years of excellence and state-of-the-art manufacturing, providing customers with everything they need through a single point of contact.

Rimoni provides comprehensive solutions for drippers and irrigation products, covering design, development, assembly, mold construction, and injection molding. With deep expertise and a focus on precision, we collaborate with leading companies driving innovation in irrigation, water management, and efficiency.
