

OUR STORY

Rimoni is committed to delivering on its promise to "Always Deliver" by transforming customer ideas into reality. Combining precision craftsmanship with innovative engineering

and design, Rimoni provides a comprehensive service from design to mass production.

ONE-STOP-SHOP MAKES THE COMPLEX SIMPLE

At Rimoni, we offer comprehensive solutions with over 70 years of excellence and state-of-the-art manufacturing, providing customers with everything they need through a single point of contact.

Rimoni Industries is a leading provider of comprehensive solutions for the tampon industry, specializing in multi-cavity molds and high-volume manufacturing. With extensive experience in design, mold-building, and injection molding, Rimoni ensures precision and reliability in feminine hygiene product production. Trusted by industry pioneers, Rimoni delivers innovative and efficient solutions.
