

**ACHVA**  
SINCE 1929

**Established in 1929 in Tel Aviv, Achva Group is one of the top leading food manufacturers in Israel**

**Specializes in producing sesame products such as our leading item Tahini, Halva, and various bakery products**

# ABOUT ACHVA

- Producing over **96 ton of tahini a day**, Achva is the largest tahini manufacturer in Israel.
- The manufacturing complex consists of 3 factories on a field of over 300K square feet. With over 250 employees, Achva uses cutting edge machinery and equipment, running completely automatically.
- The combination of fully automated processes to produce premium tahini while preserving the full nutritional benefits of the seed is what makes Achva's tahini so unique.
- QA department with top of the art internal lab, to secure the highest level of quality, each production batch is tested internally and examined in an external lab to secure.

# MARKET

## LOCAL MARKET

- Achva has the largest market share in Israel for sesame products- Tahini and Halva, and also sugar free bakery goods

- Products sold under our own brand or private label.

## EXPORT

# SESAME TAHINI

## WHAT IS TAHINI?

Tahini is made of 100% roasted and milled sesame seeds

There are 2 types of Tahini, Hulled (also known as regular tahini) and unhulled (whole tahini)

Tahini is a versatile product with unlimited possible applications, it can be used as an ingredient to prepare Hummus, in baking, in salad dressing, savory and sweet sauces, dips, in sweets and Halva.

Tahini is Vegan and gluten free

Growing popularity of authentic Middle Eastern flavors and super foods has increased the demand for Tahini products during the last years.

Tahini consumption worldwide has increased in the last 4 years annually over 14%
